“ I’m sorry for your loss. My brother John was always such a considerate person. One time he called me on the radio to tell me he found a rare part for a car I was working on. He made fixing cars fun and not work! I will always miss his laughter and joking around. May he rest in peace.

“ Claire, I met you and John a couple of years ago at the Country Kitchen’s Wednesday night dinners. Both of you helped me deal with the passing of my wife Dorothy with your kindness and welcoming me into the group. John and I seemed to hit it off immediately, joking around and just having fun. I will miss him and his great sense of humor.

“ Claire, John a and family. John was a good and longtime friend. Always there to help and lend a hand. We started as boss and employee, after 45 plus years it’s hard to say goodbye to a man as great as you and your family. You will be sorely missed. See you again. Patty and Karen.
