“ John took such good care of "Nonie" my mother in law during her last days here on earth. They were together many years. He was a thoughtful & kind man. I enjoyed his dry sense of humor and I will miss our talks. He was a true Veteran putting out his flag each morning and folding it ever so correctly at night. Thank you John for all the meals you prepared for us when we visited Atlanta and for taking such good care of us. I will miss you.

“ You won't know me but my name is Mette and I live in England. John and Margit Severinsen were my God Parents. I recently moved to Herne Bay, Kent in the UK and am starting to look up my family tree and also God Parents etc. I found my baptism certificate which clearly states John and Margit as my God Parents. I vaguely remember them however I do remember presents they sent me as a very young child - a Barbie Doll and clothes and then another time, a set of wigs for Barbie. I still have them to this day which means they are well over 50 years old! I always kept them as a reminder of my lovely God Parents. I am truly sorry that I have missed getting in touch with John by only a few days. My heartfelt condolences go out to you all. As background my mother was Danish - her name was Bodil Karen Merry Larsen - that is how she knew John and Margit. I will try to contact Margit although if you can help in any way I would be most grateful. I am sorry I am leaving this very long message via this forum but I could find not other way of getting in touch. Once again my sincere condolences on Johns passing.
My details are Mette Payne (nee Martin), 7 Radnor Close, Herne Bay, Kent CT6 7UE. Email mettepayne@gmail.com. Tel 01227 749747. I will be thinking of John and you all on the 26th Jan. All my very good wishes Mette
