

## Joseph Clark

April 27, 1953 - December 16, 2023

Joseph "Joe" Clark, age 70, died unexpectedly at his home in Phillipsburg, NJ, Saturday, December 16, 2023.

Born April 27, 1953 to the late William A. and Mary (Mahon) Clark, Joe graduated from Essex Catholic High School, Newark, NJ. After a few years of General Studies and Art at Jersey City State College, he pursued continuing education in a number of technical areas. His passion for fixing things mechanical directed him to a variety of businesses and industries in northern and central New Jersey as a maintenance and repair technician, evolving always as technologies changed. He worked for the Postal Service, Agfa Corporation, and Givaudan Flavors, among others, until he retired.

Joe had wide-ranging interests, including fishing, architecture and photography, and seemed to know something about everything. While he loved working on cars and engines, he had an artistic side too. He dabbled in oil painting in high school and there began his long interest in photography. In recent years he was learning to play the violin.

He is survived by his two brothers Bill Clark and Matthew (Donna) Clark. He will be missed by his many cousins and his Phillipsburg neighbors.

Services will be held in the Spring. Check [www.bongarzonefuneralhome.com](http://www.bongarzonefuneralhome.com) for more information.

In lieu of flowers, Joe would have appreciated donations to the Prader-Willi Syndrome Association ([pwsausa.org](http://pwsausa.org)), in memory of his second cousin, Erin Kasper.
