“ Uncle Joe taught me how to remember things by creating pictures in my mind. He once taught me how to memorize a grocery list: a container of milk, a loaf of bread, etc., and then make a picture in my mind. I still use it. He loved teaching us all word games and word teasers. He never missed a Christmas pageant or family Christmas party, graduation, confirmation, wedding. What a wonderful thing for a child growing up to have their own fan club. He will be missed. Love Kim, Tom, Jon, Kris, Kathy and spouses and children.
