“ So sorry to see your dad's passing, we always think they are immortal and will always be there for us. It is tough, but just think back of all the good times over the years, that helps to heal and soften the sadness.

“ *My prayers and troughs are with the whole family. My Cousin Joe had a special sense of humor and caring spirit. Always giving his opinion on what I should do in various situations. He will be missed especially at family events... He is now resting in peace with his parents and sisters.*

“ Will surely miss Joe, always had so much fun visiting him at Mark and Joann's house in Florida. Joe and I would sit in their screen in porch for hours just talking, laughing and of course eating and drinking coffee. It wont be the same without Joe he will be missed. My thought and prayers are with the rest of the family. Rest In Peace Joe
