“ *In Remembrance of my good Friend Joe*

Joe I just want to thank you for the countless hours you and I spent on the tennis courts together. Whether it was as partners or opponents I knew it was going to be an enjoyable, entertaining experience. More than the tennis were the conversations, the comradery, the bonding and the friendship that developed over 30 years. I will miss that, and I will truly, truly miss you.

My one regret is that we didn't have one last opportunity to share an outing on the tennis court, how special that would have been for the both of us. Now every time I look over at the courts I will always think of you and the good times and the good friendship we had.

I truly believe that "He Will Raise You Up" because I know that you are a good and decent man, and a very good tennis player as well.

My one last hope is you come across our good Friend "Rick" and you and he have an opportunity to hit again and laugh again as we always did on the tennis courts.

So Peace be with You my Friend, and with Your Spirit. And may we All always remember that all things are possible through Christ, Our Lord

Amen

We extend our Love and Support and our Sincerest Condolences to Eileen, Joey and Michael and their extended Family.
