“ *KENNY: I shall always treasure the memory of the good times we shared listening to the Willie Lynch Band together over the course of the past few years. No one can put a head on a glass of Budweiser the way that you did. I know that you'll be saving a seat for me in heaven the same way that we used to save seats for each other at the 'Reef and Barrel' and 'The Blackthorne'. Till we meet again, old Friend.*
