“ I have been thinking of all days and nights that you would be here at my house either trying to help Doug in is hospital bed like asking him hey Doug do you need anything from the kitchen and Doug would say no thank you. And then you would sneak up on me and go got ya and of course I would scream and then somehow you always made me laugh. You will be missed. All of my love to you and your family and friends. Love you always, Aunt Val 🌻🕊️
