“ I would like to start and send my prayers to the family at this time.. I can feel you pain and emptiness.. My dear friend, sister and an angel, you were to me very special. We shared many days just talking about everything and anything. We may not have spent a lot of time everyday, but we had this special bond that God had blessed you with. You were there for everyone no matter what. You were on this earth to take anyone in, feed them do what God gave you the strength to carry all and everyone. I Love you and will miss you dearly. May you rest in internal peace. I will see to soon. Please come to me in a dream so I can say and give you a kiss... R.I.P my friend...

“ To Laurie's family, we loved Laurie. It was always a pleasure to be in her company. At our meetings she participated fully and would assist with any functions. Several times she made desserts to share with all of us.
What I will remember the most was her kindness and how she helped everyone.
May she rest in peace.
