“ Professor Petersen was a great professor at County College of Morris. I had him for Intro to Business, Bus.Info sys & appl. and marketing. He was always helpful. He even let me fax my whole project to his office. Professor Petersen class was always a treat to go to and he explains all of his topics to the fullest extent. Clearly he cares about his students. Professor Petersen will surely be missed at CCM. My deepest condolences to the Petersen family.##imported-begin##Thomas Gilbert,Jr##imported-end##

“ Steve and I have nothing but warm memories of Uncle Larry! We were his "downstairs" neighbors at Pleasantview Gardens in Piscataway in 1969. We stayed in touch for many years, but eventually lost contact. We would love to meet you, Jane, and share some memories. Larry's death leaves a big empty space in our hearts.##imported-begin##Steve & Patti Russo##imported-end##
