“ *To My Sweet Nephew Smitty - my heart is broken over your loss. I will always remember your smiling face and the cheerful attitude you always had. I just wish that I spent more time with you. It's a shame how fast time goes by and how everyone seems to get caught up in there everyday lives and less time enjoying family who we don't get to see too often. I pray that your happy in heaven where you wanted to be with your Mom, Grandma, Grandpa Pie and Nanny too. I'm gonna miss tremendously. You will always have a place in my heart and I will always cherish the time we did have together. Rest in peace my sweet nephew and maybe someday we will meet again. Love always, Aunt Bonnie*
