B. Lester Tolleson

February 9, 2026 – Entered into Eternal Rest

B. Lester Tolleson, lovingly known to all simply as Lester, went home to be with the Lord. Born on March 12, 1963, in Nashville, Tennessee, Lester lived a life marked by faith, integrity, and deep devotion to those he loved.

Though his given first name was Boyd, he preferred to be known as Lester — the name by which family and friends warmly remember him.

Lester was a devoted and loving husband to his beloved wife, Elizabeth Ruth Tolleson. He treasured his family and friends and lived with a noble and humble heart. Caring, friendly, and deeply compassionate, he touched the lives of many. His love extended even to the pets he cherished.

Professionally, Lester worked as a Home Inspector and was respected for his honesty and diligence. Above all, he was a man of deep Christian faith, always grateful for the Lord's blessings. His church family at Monmouth Worship Center held a special place in his heart.

He found joy in the beauty of the outdoors — walking along the beach and boardwalks, strolling through parks, and enjoying the simple pleasures of

nature. He especially loved attending productions at Sight & Sound Theatres. A faithful fan of the New York Yankees, he followed his team with loyalty and enthusiasm.

He was preceded in death by his parents, Boyd and Carolyn Tolleson. He is survived by his loving wife, Elizabeth Ruth Tolleson; his sisters, Nancy Culbertson, and Debbie Santee and her husband, Ron Santee; and his nephew, Ronnie Santee Jr.

Lester held close to his heart the words of Scripture:

“Greater is He that is in me, than he that is in the world.”

— 1 John 4:4

A Celebration of Life service will be announced at a later date.

In lieu of flowers, the family requests that donations be made in Lester’s memory to St. Jude Children’s Research Hospital.

Lester’s legacy of faith, humility, and steadfast love will forever remain in the hearts of those who were blessed to know him.

“ Les, I can't believe you have been gone for 3 months already. I still reach for my phone to call or text you. I miss you more than words can say. This Sunday, we are celebrating you and your life. It is going to be bittersweet, but looking forward to seeing your old friends and meeting some of the people you worked with and your Church family. I spent weeks trying to find the right words to honor you. Hope I did a good job, but know that it comes from my heart. I never in a million years would have thought I'd be writing a eulogy for one of my siblings. I know you are in a beautiful place and with Mom, George, and so many others. Sending you a million hugs and kisses!!! Love you always, Nancy

“ *In loving memory of Lester,*

Lester was truly a beautiful soul whose smile could light up any room. He had a special way of bringing joy to those around him, always ready with a laugh at life's little moments and a heart full of kindness.

I will always cherish the memories of him talking and laughing with my girls since they were little. He made them feel special, and that warmth is something we will never forget.

His love for God, for people, and for his beloved dogs reflected the gentle and caring spirit he carried every day. May his faith now be his eternal peace, and may the love he shared continue to live on in everyone who had the blessing of knowing him.

With deepest sympathy and love.

We'll miss you always my friend!

Today, as we experience another blizzard day. I can't help but remember the snowy season of March 1993 , Just before Lester and I were married., and starting our life together as husband and wife. Snow was falling then too, and we were full of dreams, laughter, and so much hope.

There are moments when the silence feels heavy, yet my heart finds comfort knowing he is in a far better place--safe in the presence of The Lord..I miss him more than words can express ..

Forever my love, Lester

Hi Ruth. Lester was such a great guy. He always spoke very highly of you and often mentioned the delicious meals that you made for him. You know that he speaks highly of you now up in Heaven and still prays for you and us all there just as he did here...Ben Solomon

No es facil expresar las emociones que corren en nuestra humanidad en estos momentos que nunca deseamos tener, pero lo que nos fortalece es que nuestra parte espiritual esta completamente segura de que nuestro amado Lester esta disfrutando en el Paraiso Eterno con Nuestro Padre Celestial; y que muy pronto nos veremos. Al momento siempre guardare los momentos compartidos en mi corazon.
