*We thought of you with love today,
But that was nothing new.*

*We thought about you yesterday,
And days before that too.*

*We think of you in silence,
We often speak your name.*

*Now all we have is memories,
And your picture in a frame.*

*Your memory is our keepsake,
With which we'll never part.*

*God has you in his keeping,
We have you in our hearts.*

“ *Tiffany,*
When we lose such a special person in our life, time seems to stop. However, it is important that we start to live again with a smile on your face so that we can make his soul happy, as he is still looking at us even if we can't. Please accept our deepest condolence to you and your family on the loss of your brother.
