“ My condolences go out to the Bertoni family. Louis and I were cousins separated by 20 years. Every holiday gathering on Randolph ave, he would walk with me to the local firehouse and look through the window. Well I have proudly served as a firefighter in the city of Clifton for over 24 years and in some way shape or form have Louis to thank for that. Thank-you and may you rest in peace.##imported-begin##Robert A. De Luca ##imported-end##

“ Dear Lorraine,

It has been many, many years since we were YOUNG teachers together at Hamilton Junior High School in Elizabeth! I fondly remember our carefree, happy times as a staff of wonderful young educators.

I was very saddened to read of Lou's passing. I have been with my husband, Dennis, for 36 years and I can only imagine the sense of loss you must feel! At the same time, you and Lou had a special bond which gave you longevity and a wonderful family. But, it is never long enough!

May the love of your family and friends help you through this difficult time. As you reflect on all of the wonderful times together, Lou will live forever in your heart.

Please accept my deepest sympathy.

God Bless you and your family and give you the strength to get through this awful time.

Fondly,

Maureen##imported-begin##Maureen Murphy McNulty##imported-end##

“ I was in such shock, followed by immense sadness after reading this obituary. My family and I grew up on Fairfield Road in Clifton, across the street from the Bertoni's. A nicer family there wasn't! Lois, Louis and Louella were a few years older than I, and often baby sat for me and my 3 younger brothers as we were growing up. We absolutely loved and adored them! Naturally, I had a crush on Louis. Who wouldn't? He was not only very handsome, but was a wonderful, caring and all round terrific guy. As I look back on it now, I think that Judge Bertoni, and then Louis had some sort of subliminal effect on my eventual decision to become a lawyer. Over the years, long after we moved from our Fairfield Road home, I would periodically bump into Louis. Every time I would see him, he was as wonderful as always, always asking about the family, etc. and my "crush" renewed! I am so sorry we have lost him. My heartfelt condolences, thoughts, prayers and much love to the entire family. - Meryl###imported-begin##Meryl J. Topchik###imported-end##

“ Lorraine, Lauren & Lynn,
My deepest sympathy goes out to you and the entire Bertoni Family. Luis will be missed by all who had the honor to know him. My childhood would not have been the same without his practical jokes and humor. Peace be with you!
Sincerely,
