“ I just found out about Malcolms passing today 10-14-13. I am so upset that I didnt know he was sick so I could have seen him or helped in any way I could. I never got to say Good Bye and thank him for everything he did for me on and off the track. He was truly a good friend to me. Driving the #15 car for him were some of the best years of my life. The memories of being at the track with him and Malcolm Jr will stay with me for a lifetime. I never got to tell him how much he helped me during some of the rough times in my life and I feel so guilty that I wasn't there for him. Junior I didnt know your dad was sick. Please forgive me for not being there for support or attendind his memorial service. If there is anything I can do for you please do not hesitate to call me 732-456-2124.. Malcolm I will truly miss you and may you rest in peace!

“ My condolences to the Campbell Family. May you find comfort in family and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, sickness, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4-Gods promise to wipe out death and pain, John 5:28-29-Gods promise to resurrect our dead loved ones. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life on a paradise earth. Please read these scripture along with your personal copies of the bible and for more information on the hope for those we have lost in death go to jw.org.

May you be strengthend by the love of those around all of you, and find comfort in the promise God gave in the Bible at Revelation 21:4: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor tear be anymore."
