“ *I happen to be one of the luckiest girls that can actually call this great lady Aunt Marie. She hands down was the best aunt anyone could ask for. I can remember growing up how she was always checking out my hair to see if by any small chance she could see some red in there. And yes Aunt Marie there is red. Just for you. I will miss you and your contagious laugh that I still hear. I love you. Your niece, Lisa*

“ Marie was one of the most vibrant people we have ever met. She was always laughing and no matter what she had to say it came out right. I remember one day shortly after I had started working at AT&T. We were walking thru the lobby and they had this huge waterfall in the center of the building and without missing a beat she said “Annie, look at that ~ it is raining inside and out.” I laughed my head off because only Marie could have made a rainy day fun. Rest in peace sweet lady. Annie & Bill Newland

“ As a toddler, my niece, Adriana (Marie's Granddaughter) couldn't pronounce the word "Grandma". "EMA" was all that she could say and Marie LOVED it. So she was Ema to all of us, including my own kids when they were younger. I'm going to miss her tight hugs very much. We will never forget you. We Love You. Lee, Niel, Aaron, Matthew, Victoria.

“ Condolences to the family. Marie Joyce is my cousin and I can hear her now telling me "Barb I'm just Marie now I dropped the Joyce years ago! Call me Marie" I did call her Marie sometimes but old habits are hard to break. The last time I saw her was when my Dad (her Uncle Joe) passed in 2004 but we spoke on the phone and on facebook. I have great memories of us and I shall never forget you Marie. Love you

“ I worked with Marie at Wawa. She was a bright spot in everyone's dismal commute. She always had a smile and a kind word for everyone. Her face would beam every time she spoke of her grandkids. Love ya Marie. From Uncle Skippy.
