“ This beautiful gentle soul is my mama and despite everything she had gone through throughout her whole entire life - the warm and compassionate smile you are seeing here today is the warm and compassionate smile that she always wore. My mom is just such an angel. she always loved to tell jokes, she always loved to make people smile and when it came to her most favorite thing in life, there was never any question about it for the moment any one of her four most precious grandchildren or three most beautiful great grandbabies walked into the room her eyes would just automatically light up like diamonds. oh how she loved them, oh how she loved them all.

*My mom is, was and always will be my lifelong friend. there is no one that could ever take her place. We had close to 62 glorious years together, and for such, I will always remain to be eternally grateful to God.*

*I love you mom. I love you with all of my heart. until we meet again,  
your brokenhearted daughter, JoAnn*
