I know that your mom and dad are roller skating in heaven right now. They were both wonderful, kind and loving to all that knew them. Our thoughts and prayers are with all of you.##imported-begin##Darlene Stoneham##imported-end##

“ Hello David and Dana,
My mother noticed the announcement of your mom's passing, I wanted to send you my sympathy along. Your Mom was great and a role model for me on love, she just loved your dad and was so positive when I was around. I remember going to the drive in theater in our PJs in the back of the station wagon and she taught me how to snap my gum! I recently brought my 2 children to Elizabeth Parkway and told them stories of my 5 or 6 years there. It is amazing how long your driveway felt when I 3 and so short now. I still have a doll blanket that Nanny Bennett knitted and crocheted for me and my daughter used too. I hope your memories are a comfort during this time of transition. Peace, Beth##imported-begin##Beth Hesse Burton##imported-end##
