“ I worked with Mary Jane at Y&R many years ago and we'd stayed in contact several times a year ever since. I found out about her passing just recently and was so sorry to hear about it. If a family member could contact me by phone or snail mail, I'd most appreciate being able to exchange information and memories. Hopefully you can find my contact info in any of her personal address books. I hesitate to post that contact info here. Mary Jane and I had such good times together, and I will always remember them.

I had the great honor and pleasure to meet Mary Jane on more than several occasions. She was witty, smart and was always so gracious to me. She lived a long, full life, but was taken much too soon. Rest in peace and light, Mary Jane!
