

Michael A. Hallowich-Caffey

November 13, 1993 - December 8, 2024

Michael Alexander Hallowich passed away on December 8, 2024. He was a cherished and loved son, brother, and grandson who brought joy to those who knew him and will forever be missed.

Michael had a passion for volleyball and enjoyed spending time on the court with friends. He was also an avid fan of anime and manga. His love for the series *One Piece* was particularly special, and it is hoped that he has now found his own treasure.

Sundays often found Michael gathered with friends for game day, cheering on the Philadelphia Eagles. His enthusiasm for life and his ability to connect with others will be deeply missed by all who had the privilege of knowing him.

May his memory bring comfort to those who knew and loved him.

“ *Michael was a terrific young man with a personality that shined for all to see. As his teacher senior year, I saw how well he got along with all of his classmates and how he made everyone feel a part of the group. May God bless him and his family in this very sad time.*

“ Mike, I always looked forward to seeing you on our volleyball nights because you always had a smile on your face (and it was the best smile) and you were always laughing, dancing, & having a good time. It won't be the same without you, but the HL team will keep your memory alive because you live on forever in our hearts. Love & miss ya kid💔😔,
