“ Michael was so devoted to his family and his company. He worked each day to make a difference in the lives of those he knew. My husband (now deceased) and Mike played baseball together years ago. I was lucky to hear all the great stories.

He also had a love of music, especially The Carpenters. May he be at peace.

He was a terrific friend.

“ I want to send my condolences to all those who shared their life with Michael Taylor. What a great man he was!

My name is Kathy Yolman and I was his cousin.

Although, I hadn't seen Michael in many years I thought about him often.

My mother - Lynn Yolman (RIP Mom) was able to pull strings back in the day to get him a much needed transplant as she adored Michael tremendously.

I remember the days hanging out with him and Denise (who was just AWESOME). Denise if you are on this strand - I would love to connect again. My email address is: kly789@outlook.com.

Michael - we will miss you dearly and I know you are up in heaven dancing with my mom, Nan and Pop Taylor too.

You will be missed by all.

I LOVE YOU MICHAEL!

Love, Kisses and Hugs,

“ My husband and I first met Tony when we moved to Tinton Falls 32yrs ago. we purchased our first house and just married. We lived across the street from tony. And became friends, we where all about the same age. we did what normal young couples do, dinner, backyard barbecues etc..(and probably had no clue what we where doing !) there where no children at that time. He was a funny, happy man and my husband and Tony became friends. Along with our old dog Skippy, a beautiful golden retriever which they sat in the garage with. (open doors of course , and drank beer.) He always made me laugh too he very was kind. And I always remembered the newly landscaping gear parked in front of his house.(Every tool imagined !) I thought one day that guy will have a business- their landscape always looked refined and excellent ! Since then we moved to Atlanta, G.A and back to colts Neck N.J. 3 kids later. But, whenever I am in the Tinton Falls area, and pass that community, you have to SMILE ! God Bless you Tony ... and hope your SMILING!

Our hearts and thoughts are with you during this difficult time of grieving.

“ My prayers and deepest condolences to Karen and Jared. Mike was a one-of-a-kind friend of mine for over 30 years. He was tenacious in character, and a competitor in everything he put his mind to in life; especially debating politics and sports. It was always “Mike Taylor’s way” no in between. Mike had a heart of gold and would help anyone, anytime. A true rare breed of a man, husband and father. I will sorely miss Mike. RIP buddy.

“ Paul and I are so sad to learn of Mike's passing but so thankful we can rejoice in knowing he is with Jesus. Mike was always kind, loving and caring to us and our needs. He never forgot to ask how we were doing with any concern we may have had. He was very willing to go out of his way for anyone in need and to remember to pray for the brethren. Mike was so happy that he read through the bible with a yearly bible plan, and shared his love of Jesus whenever he could. Our condolences to Karen and Jared. (We met you through the window on Easter Sunday, Mike was resting on the deck.) We can keep the smiling memory of Mike in our hearts, with this great picture of him! Love, Paul and Annie

“ I send my deepest condolences to Karen, Jared, and the rest of Mike's family. I've been both a customer and friend for about 40 years. One of the hardest working, toughest individuals I've ever known, who built and maintained a very successful high quality business from scratch. But he was much more than a successful businessman. An unquestionably honest man with a heart of gold who was always there to help a friend, myself included, with whatever was needed. A man full of kindness, warmth, humor, and intellectual curiosity. I always enjoyed long conversations with Mike that would touch on topics as diverse as business, investing, faith, love, kids, sports, politics, and health. Always interesting, never boring. An authentically unique individual, gone far too soon, who will be sorely missed and always remembered. Rest in peace, my friend.

I worshiped with Mike at Grace Bible and I looked forward to his big smile and how he always said hello to me and was so sincere to know how I was doing. He was a great guy that loved the Lord and loved people. He will be missed.*

“ *RIP Mike, I know you are in a better place, but you will be missed. I met Mike through Grace Bible Church, and got to know him through our small group and our friendship grew over the years. He was a unique character who was transparent and told it like it was. We would always break each others chops but every Sunday or at small group he would always ask about my family and no matter the special occasion Mike always gave a thoughtful gift to me and my wife. I felt a strong bond to Mike as a Brother in Christ and saw his love and growth in and through Christ. Jean and I will miss Mike. We offer prayers of comfort for his Family.*

“Mike became a friend of ours through our small group Bible study at Grace Bible Church. He was exceptionally kind to me, and always expressed concern for the medical needs of our granddaughter. He prayed for her health at each of our meetings, and his prayers brought much comfort to my heart.

Mike was thoughtful and generous - each spring he would bless the members of our group with an assortment of lovely flowering plants. And then at Christmas he gave us gifts that honored the birth of our Savior Jesus Christ.

Mike will be dearly missed as a friend and brother in Christ.

We are praying for comfort for Karen and Jared, and for all family members and friends who are grieving Mike's passing.

“ Mike was in our small group bible study and it is never going to be the same without him! He kept us on our toes with questions and concerns. He demonstrated a genuine care and kindness to many of us in numerous ways; he was always willing to help when a need would arise. Mike's lighthearted disposition would often make us laugh; sometimes he could bring us to tears too - he was quite the character. He was always interested in others well-being and we knew he would pray for us. Mike is going to be greatly missed. “ *Our heartfelt sympathy, thoughts and prayers go out to the Taylor family. Mike and I grew up together on the same street in Neptune City and have known each other since Kindergarten. I will forever remember the many days we spent playing together at each other's houses and riding bikes. Mike especially loved swimming in our pool. We lost touch over the years, but reconnected in Tinton Falls. Mike was still the same funny, talkative, compassionate, caring guy I knew from grade school. It was evident Mike adored his son Jared. There was never a conversation I had where Mike didn't say how proud he was of Jared and how much he loved him. I last saw Mike about 10 days ago. Even though he wore a back brace, had difficulty walking, and talked about his need for hip surgery, he still wore a smile on his face and had a sense of humor. His work ethic was like no other. His contagious laugh, infectious smile, sometimes opinionated political views, but mostly his genuine and kind ways will be missed the most. RIP my childhood friend. I will miss you very much but know you are watching over your family and friends. Holly Steinberger and family, James, Kevin, Eric and Mark.*
