“ To my cousins,
I'm your mother's cousin- Ginger's youngest- I only had the chance to meet your mom 2 times. I never had the chance to meet you. My sister Ronnie tried to contact your mom before she passed- I don't know how that went with detail but I know it was not welcoming . I am now trying to with you if you get this. You can reach me email - I ovelife411@aol.com I hope this reaches you & you are well.

“ Dear Willie,
Hopefully you will remeber who I am. You were a student in my Basic Skillls Reading class. Mrs. Kurtz (Micale) and I used to sing to you (little willy willy won't go home....) I wanted to express my deepest sympathies in the passing of your mother. She must have been a wonderful person because she raised a fine son. My thoughts are with you.

Sincerely,
