“ Just wanted to let you know my thoughts and prayers are with you & your family. I loved Nick, he would come into our office with that "Felix the Cat" hat on his head, & I would have my smile for the day. Nick somehow reminded me of my own father, and even though you may have not known this he was known to me and the other nurses as "poppy". He will surely be missed. And to Christy, we have been speaking on the phone for about as long as I can remember, and this wasn't the way I wanted to meet you, but I'm glad I did and you're a very sweet and kind girl. I hope your memories with your dad keep him alive in all your hearts...Much love....Paula###imported-begin##Paula Levine (nurse @ Dr. Cohen's office)###imported-end##
