“ Pat was a client at The Active Healing Center, Colts Neck. I worked directly with her for a brief time and became friends. A sweet and warm spirit. God Bless.

“ Jean, Although we haven't seen each other in years, memories of being with you and Patty in Elizabeth always brings a smile to my face. I was so sad to hear of Patty's passing. From stories I've heard from my sister, Nanc, Patty still was as spunky as ever. My heart goes out to you. Sending love your way.

*Patty and I were interviewed together at St. Elizabeth's Hospital, Elizabeth, NJ. We graduated from nursing school together in 1973 and became best friends immediately... Patty was one of a kind. She was a fabulous friend. I didn't know she had died.* Agnes Salerno Viray

“ Jean, I was shocked to learn that Patty had passed. This tragic news compounds my gratitude for our brief reconnection after so many years at Mary Faughnan's birthday party this past September. You have our deepest condolences.
