“ I miss you every day, my soul is happy that you are no longer suffering. Trish, you are like the missing part of me, my sister, my best friend. I needed you so much in my life, you always took up for me, you would fight anyone who was mean to me. We keep each other out of a lot of trouble and got into alot together. I know you remember the scheme we had about the murder in the garage! Oh Trish, I know I will be with you again one day. Please continue to watch over me! Love You with all my heart.##imported-begin##Allison Forster (Shirley)##imported-end##
