

Paul De Angelo

June 4, 1986 - May 11, 2021

Paul De Angelo, 34, of Rocky Point NC, formerly of Tinton Falls NJ, passed away suddenly on Tuesday, May 11, 2021. Paul grew up in Tinton Falls – attended Tinton Falls public schools, graduated Christian Brothers Academy in Lincroft and attended Hartford University. He served his community as a volunteer Fire Fighter of Tinton Falls Fire Company No. 1. Moved to Asheville, North Carolina where he worked in a Sober Living Home helping addicted young men. This led to his involvement in NCCYPAA – a North Carolina organization for furthering the principles of AA among young people in North Carolina. He later moved to Wilmington NC where he started his own company – A New Leaf Tree Service – employing recovering addicts. In his last few months he developed a passion for wood-working at Making Whole.

Growing up Paul was a member of the local Cub Scout Pack 128 and participated in local town sports. From an early age he enjoyed paintball – and was later a member of a semi-professional team. He also enjoyed fishing which was first introduced to him by his grandfather. Paul learned to play the drums in grammar school and as his enjoyment grew so did his drum set. He also enjoyed downhill skiing in the mountains of the Northeast and found great pleasure spending time on the beach down the Jersey Shore. He especially enjoyed spending time with his friends. As he grew he developed a soft spot for animals and had 6 cats living with him.

Paul was predeceased by his grandparents Carmen and Sabina De Angelo and Alexander and Bertha Butchko and his cousin Deborah De Angelo. He is survived by his parents Don and Kathy De Angelo, his sister Natalie De Angelo, his great-aunt Anna Kleckner, his uncle Robert De Angelo and his wife Deborah and their son Michael, his aunt Anne Mawson and her husband Robert and their son Christopher and his wife Katie, and many other cousins and good friends.

“ *Paul was one of my son's (Phil Kaeser), best friends. Paul & the crew spent a lot of time at my house. He would take the time to have a conversation with me and was always funny, kind and respectful. He did so much with his life in such a short time along with helping others and will be sorely missed.*

I first met Paul when I was interviewing tree services for our mobile home park, Port O' Pines Estates in Wilmington, NC. Our park got its name from the many pine trees in our park. I interviewed quite a few tree services including Paul and I didn't have to search any more. I am very distraught upon learning of his passing. My prayers are with his friends and family at this time and I feel that Paul, his employees and myself developed a great relationship, personal and business. Paul will be missed.

“ Paul is one of my best friends. Coincidentally Paul and I share the same birthday of June 4th, only he was born a year earlier than I. Paul and I would share the day together growing up as much as possible. June 4th will forever be a day he and I will continue to share, only it will be a bit different now. The way Paul could bring a room full of laughter and smiles is a piece of him everyone should try to live by. Love you forever and always Paul. Till we meet again... Your pal Frankie.
