

Paula P. Kiliany

June 21, 1947 - February 26, 2026

Paula P. Kiliany departed on February 26, 2026, at the Jersey Shore University Medical Center, Neptune. She lived with an indomitable and generous spirit and will be deeply missed by all who knew and loved her. Paula was the daughter of Mae and Paul Pfizenmaier and was predeceased by her beloved brother, Charles “Chic” Pfizenmaier, as well as the love of her life, Bill.

She is survived by her niece, Jane, along with many beloved great-nieces, great-nephews, and great-great-nieces and great-great-nephews. Paula had a gift for forming close, lasting relationships throughout her life and maintained many cherished friendships over the years. All of whom will carry her memory in their hearts.

Paula grew up in the Philadelphia area. She attended Cardinal Dougherty ‘65 High School and later graduated from East Stroudsburg College ‘69. Shortly after graduating from college, she settled in the Manasquan area, where she and Bill made their home near the beach — their favorite place. The shore brought them great joy and many treasured memories with loved ones.

Join us in remembrance of Paula on Thursday, March 12, at 2:30 p.m. in the Garden Room at Seabrook Continuing Care Community, 3002 Essex Road, Tinton Falls, NJ.

In lieu of flowers, donations may be made to The William and Paula Kiliany Memorial Fund - Lancaster County Community Foundation, <https://www.lancfund.org/fund/the-william-and-paula-kiliany-memorial-fund/>

“ Paula and I knew each other for over 50 years, mostly from working together off and on at the phone company. After Bill's passing we were both retired and started a great friendship that lasted till her passing. I have many good memories of her and cherish the time I was able to spend with her. We were like sisters".there is such a void in my days now and miss her smile when we got together. I know she is out of pain and distress now but importantly, she is with Bill. Love you girl, you'll never be forgotten

“ Fitz and I met when we were barely 18 and freshmen in college. We became instant friends and roommates. There are TOO many good times to count. Marriages (several 😊), kids, careers, trips-- we went thru life's ups and downs together and our friendship survived 60+ years. You'll be missed terribly Fitz-rest in peace ❤️. Linda
