“Wow, I am very saddened to hear the news of Rich’s passing. He was my lead and mentor. He taught me everything I know. He was the smartest man I have ever known. I have no clue how one person could know so many facts about everything. I will never forget the almanac game, name that Tune (band, song and year), Movie trivia, World map game etc... and the endless amount of Chinese dinners we had. Rich will be greatly missed. Thank you for the memories!

“I have known Richard since my sister married his brother, Ray, in 1970. We have shared family celebrations and milestones with Richard through the many years. He was a wonderful uncle to Michelle and Melissa and was often seen cheering them on at their special activities. We have fond fun memories of playing Pictionary on Christmas and rooting for the Giants to win the Super Bowl. Richard was a kind soul who looked for the best in people. His memory will always be a blessing. He will be missed.--- Diane &Tom Kenny and family. 💙

“ From the beginning, Richard was a grandfather to my children, especially the girls. They loved their warm days going to Storybook Land where he would ride on the rides with them. And, they enjoyed shopping and dinner at Chili's days. They always enjoyed spending time with him and the feeling was very much mutual. As his health started to decline, we had hoped he would get to see Madilyn graduate 8th grade in June and also see the baby born in May. Unfortunately, God had other plans today and he will now see all of my kids milestones from heaven. We know he will be shining down on us all and he will be forever missed.

“ Richard was not only my cousin, he was the brother I never had. Our love of horse racing, golf and the New York Mets kept us close together through the years. I will always remember his warm smile and overly abundant kindness and generosity. I will miss him dearly but know he is at peace now.
