“ We were so saddened to hear of Bobby's death. Gary says he was a genuinely decent guy, a real person of character. It's rare to find people like Bobby these days. Gary is so upset over his death. Our thoughts are with you.

“ Bob/Dad,

You were an amazing husband and dad; you will be missed more then you can imagine. You were so talented and loving to everyone, and never had a bad word to say about anyone. You were a great son and brother, and brother-in-law. You have so many people out there who love and care for you. The out cry of love has come out from everyone. If this is what has brought the love out of people, your death was most definately not in vain. Your deamons are gone. to no longer haunt you. You are in Heaven with God.

Your loving wife Jackie,  
and loving daughter Sonya.

RIP Dad###imported-begin##Jackie And Sonya Alfano###imported-end##
