“ Gerry and Tighe family:

May you find peace in the everlasting memories you all have had in his and your moms company, and know he is at peace with his best friend Agnes.

He taught us all a little bit every time we had the pleasure of his company. I learned a little more each time I saw him, mostly how to smile and to try and relax. I have attached a picture that will be my fond memory of a day well spent in his company.

May God give you peace in the days ahead and always remember him as the wonderful father, grandfather and husband he was.

As always, if there is anything I might do, please let me know. God Bless you all.##imported-begin##Bob Dolan##imported-end##

“ From the moment I met Bob when I started working at Med Prep he treated you as if you were a member of his family. Everytime you saw him he had a smile and a kiss for you. Everyone that worked at Med Prep years ago will remember a smiley face on all of our paychecks. That was his signature. You always new he was thinking of you and I bet with every smiley he could see the persons face that he was writing the check for. He made it a point to know everyone that works here.

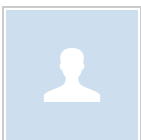

Although he will be missed here, I feel that he is happiest now, joined with the love of his life. Perhaps there are cruises is heaven and they are on one right now.##imported-begin##Ann Louise Hubiak##imported-end##
