“ Dear JoAnn:

It has been a long time since we saw each other or even had contact with each other but I remember you and Bob vividly as we had so many good times together. I remember when Christopher was born and have so many fond recollections of our trips to the Poconos at Optometric conventions.

I send you and your son my deepest sympathy and condolence and hope that the wonderful memories you have of Bob will help you get through this trying time. May you know no further sorrow!

Fondly,

Charlotte Vineburg
