“ Dear Adele, It is with great sorrow that I write this message to you and your family. I was so sad to hear of the loss of your beloved Father. Just wanted to let you know, I am sending you, your Mom, and the rest of your family and close friends, prayers and all of the compassion I hold in my heart as well! As I look at this picture of your Dad, he reminds me of my father. I am sure your Dad was also a very kind, loving and dedicated man. Please know I am also here for you, and in the coming weeks, when this deep loss finally settles in, your true friends and family will always be around! When I feel sad about my Dad, I think about all of the happy memories we all shared with him growing up, and also through my adult years. I pray that you are soon comforted with knowing your Dad is in a beautiful place, no pain or suffering. He will always be watching over you ALL!

Hope to see you soon Adele, know I am always thinking and praying for you and your family. Now you have a guardian angel watching over you for life!

“ My deepest condolences to your family. I live around the corner from Rocco and Carmela. He is one of the nicest people I've ever met. He always had a cheerful hello for me whenever he saw me. He often said to me, "don't work too hard and remember to enjoy life". He will be missed. Lisa
