“ Lori, I am truly sorry for the loss of your Uncle Ronnie. I know how much he meant to you. I remember all the holidays you shared with him and things you did together, and you told me he was like a father to you. He was a very kind and gentle man. He had a very successful career and lived a quiet but happy life. I had to pleasure of speaking to him over the phone a few times. Such a sweet and caring person. I regret never getting the chance to meet him in person..... Life is too short, live each day to the fullest.The Best things in life are taken from us too quick. Ronnie is at peace now, and watching over you! And Please remember I Am always here for you, Love Lisa

Dear Lori and Glen, we are so sorry to hear about your dear uncle. We shared many happy memories on South Street in Elizabeth. Our sister, Connie Brenckle, always shared the happy times with us that she had when visiting Ron in Cape May. With sympathies from cousins, Albie, and Jimmy and Jo Forestiere.
