“ *There are no words to be said to all that loved Scottie. Especially his mom and Dad, his wife, his brother Danny and his wife. He was so loved by family and friends. I remember watching him play baseball at Merrill park sitting with Jackie and her mom, Ann. He was a kind, loving, happy young man. I was so happy when Jackie told me he met Anastasia. They gave so much love to each other. My prayers go out to the family. He will be missed and loved for ever. Love Debbie and John Marciano*

“ *This is just beyond heartbreaking. My heart goes out to the family. We are praying for you at this unbelievably horrible time. My husband and son were reliving things from the shamrocks and talking about how hysterical Scott was. He will be remembered with such fond memories. Our sincere condolences to all of the family. Our prayers are with you.*
