“ Dear Massido family/our neighbors,

*We were very sad to hear about Segundo. We always enjoyed speaking with him when we saw him. I enjoyed watching him do his meticulous landscaping. He was such a wonderful man. What a family legacy he has left behind. Reminds me of my grandpa. So many children, grandchildren and great grandchildren. We are so thankful for you as wonderful neighbors and wish you all our sincerest sympathies in this very difficult time. We will miss seeing him around. God bless you and may you rest in peace.*

*Love,*

“ Dear Masiddo Family:

*Our sincerest sympathies on Tatay Segundo's passing. It is sad, even painful, specially during Christmas. We had our share of pain too. Our nephew, Juancho, died the day before Thanksgiving. He was only 48.*

*We can only rely on our faith that there is life after death, which is how best to console ourselves.*
