“ *To Sharyn's family and friends, I hope you can find comfort in your good memories with Sharyn and the many people she positively impacted.*
I had the privilege of meeting Sharyn at NJIT. Not only was she a reliable colleague, she also gave me the great gift of befriending me when I was new to the NJIT community. We connected over our creative passions and she included me in her handcrafts gifts to colleagues one holiday, which I still treasure. - Hannah Byrd

“ Although I didn't have the chance to share many memories with Sharyn, I truly appreciated the warmth and creativity she brought to everything she did. Her thoughtful ideas—especially the way she added a special touch to crafting small gifts and enhancing event giveaways at NJIT—left a lasting impression.

Please accept my heartfelt condolences. May God grant you comfort, strength, and peace during this difficult time, and may Sharyn's memory be a blessing to all who knew and loved her.
