“ Dear Janet,

Bonnie called me today and gave me the news. I was so very sorry to hear of the passing of your mom. So often I would think of her, knowing so well how much time has gone by. So many memories are forever in my heart of a very special time. Your mother's wonderful sense of humor will always be what I remember her for...and her laughing. I always knew where you got yours from. I hope you know of course, those days will always hold a special place as any in my life. I am out of state for the next few days and so sorry I am unable to be there. I hope you know I would be. I wish you and your family the best, and that your own fond memories help to serve you through such a difficult time.

*My sincere condolences,
