“ I just now found out Stevie had passed. I worked with Stevie at Christmas Days when she lived in Vermont. We had such a great time working together. I will always remember her as a sweet loving funny person. RIP sweet lady.

“ Dear Bob and Peter and all of Stevie's family and friends: My heart goes out to each and every one of you on the passing of the inimitable Stevie Brennan. I have so many wonderful memories of happy times with Stevie and the Dunne boys: riding my bike around the block in Colts Neck and stopping off for a little visit with Stevie, summers at LBI with the Dunnes upstairs and the McCullohs downstairs, my first job at Countrywear with Stevie as my *FIRST* boss (along with Mrs. Bean!), and my second job at Nature's Pantry with Stevie as my *SECOND* boss. Over the years, Stevie and my mom, Peg McCulloh, would share lots of adventures; their relationship taught me that lifelong friendships are worth their weight in gold. I will miss this classy, funny, caring woman in this life and look forward to seeing her again in the next. Lord knows what kind of shenanigans our moms are getting into now! Much love, Wendy Lee McCulloh White

“ *Stevie was such a remarkable friend to so many people especially to my Mom, Avis Stolp. We shared so many adventures together during her time at Seabrook Village. Stevie was always there to lend a helping hand, and I'm sure that she and Avis are reunited for an eternity of joy!*

*Love you.

“ *My Grandma passed. She was the best. Summers in New Jersey with my sisters and cousins were a staple growing up. I miss her love of doll houses and miniatures that we both had a passion for. I miss how she kept our extremely complicated family together and her young thinking. She was always trendy, a smart business woman, very outspoken and truly beautiful.*
