

## Steven Vergiza

June 26, 1955 - April 2, 2025

"On Wednesday April 2 in 2025, Steven Vergiza, only son to Doreen and Edward, peacefully passed onto the care of our Lord in Heaven. He is survived by his only son, Steven, in northern Florida along with his younger half-brother, Andrew, in Voorhees, NJ. Steven, aged 69, was a deep thinker seeking solutions, loving his family dearly while appreciating natural things greatly. He enjoyed fixing up cars and trucks being mechanically and artistically inclined adding his special touches and vibrant flavors to them for their caretakers and his joy. Steven's desire was to always "Love and Laugh" which we should also try to do whenever possible to honor him, help others as well as ourselves to be better by the grace of God. Steven will be laid to rest at St. Vladimir's cemetery in Jackson on Tuesday April 8th at 10:30 that morning with our dear Aunt, Theresa, joining her and our family and friends who had preceded, loved and raised him. May Steven rest in peace and be well-remembered, please, as we have all been blessed by knowing him in our earthly lives and hopefully beyond. AMEN!"
