“ Dear Family Sobieskis,
Today I noticed on internet the obituary of your beloved father. I am deeply saddened and very sorry for your loss. Ted Sobieski was such a great person. He will live on in my memories forever. The world won't be the same without Him. I believe His soul is in heaven.
I had a privilege to meet Him when I visited your home together with my uncle Chester Rudowski. May He live eternally in God's presence.

“ *The memory of my Uncle Ted will always be very wonderful and vivid in my mind. He was a special mentor to me as I grew up. When I was 15, he enrolled me in The RCA Electronics Institute in 1955, from which I learned the basics of electricity all the way to Television. This led me to select Electrical and Electronics Engineering for college. If it were not for him, I probably would never have had the career I had in my lifetime. I am forever grateful for his impact on my life.*

“ *Uncle Teddy was my father's (Stanley) youngest brother. I remember celebrating a Christmas at Babci and Dziadzu's house (that was before our family grew to the massive size it is today) and Uncle Teddy decided to play Santa Claus, he took one of Babci's red hats and one of the Aunt's red coats and he had makeup on so we wouldn't recognize him and he came into the house ringing bells and singing. He didn't fool me I recognized him right away. He made Christmas very special for us that day.*
