Theresa Gribben Yourie

Our wonderful mother, Theresa Gribben Yourie ,passed away peacefully on March 22, 2024.

Hard work, and love.

“Terry” as she was affectionally known was born in New York City on June 28,1934.

After moving to Clifton, graduating from high school she spent a short time at Fairleigh Dickinson college Terry eagerly entered the job market at various positions until she landed her favorite job at Curtis Wright as a secretary to some of the company's top executives.

She worked there until her marriage in 1957 and started having kids. Her favorite job was being a mother as she raised 4 children while at the same time founded and owned her own company, “Terry Gribben’s Transcription Service’. While raising four young children and eventually putting them through school she grew her business to at one point to 25 employees. Most all were other working mothers. After Terry’s children all graduated from college Terry found time for herself. It was at this time she met the Love of her life, Lou. She was grateful to have 10 wonderful years with Lou before his passing and always would say after that time that those were the best years of her life.

Terry was a tireless worker as her later years were spent with enjoying time with her grandkids while still working in her company and finally retiring at 80

years old after which her daughter Tracy who was her partner took over. Terry was predeceased by her husbands Dennie L. Gribben and Louis F. Yourie. Children Dennis Gribben (Lynne), Lorraine Gribben, Stephen Gribben, Tracy Gribben Cali. Stepchildren Mary Wickman, Ralph Yourie (Diane), Angela Yourie. Grandchildren Dennis Gribben, Marilyn Gribben, Stephen Gribben, Robert Gribben, Aidan Gribben and Joseph Cali. “ Terry and my Aunt Lorraine were Forever Friends since childhood. They shared so many memories and supported each other thru each stage of their lives. I don't doubt the two of them are enjoying their new lives together as Angels.
