“ *God Bless You Tommy. There are no words I can think of for not being a better friend when life presented to you an unfamiliar path. I have great memories of our younger years and beyond and even though we must part for now, those memories will never diminish. We will in time meet again my friend at a place where pain and sadness cease to exist but my work here is still unfinished. Prayers and condolences to the Marchetti Family, relatives and all of Tommys friends † Butch and Terri*
