“ Lee, Karen, Wendy, and family
We extend our condolences to you on Tommy’s passing. We all journey on God’s path and plan. With Faith and Hope we are restored to strength and coping with the loss, knowing that one day you shall be reunited.
I look back with fond memories at the time when Tommy and I were growing up in Bayonne around 10-12 years of age. It was a special time filled with experiences and excitement. Every weekend, we were like brothers, on a quest for mischief and mostly good fun. Know that you are in our prayers during this difficult time.
