“ *My deepest heartfelt condolences to the family and friends. This is a great loss for all. Vincent was one of the nicest people I had the pleasure to cross paths with in life. I met Vincent when he came to work with our crew for Piedmont Airlines at Newark Airport. Vincent was part of the crew that shaped some of the best memories while working at the best job and the best company of a lifetime. Vincent was also a fun guy to be with outside of work. Vincent had a way of making people smile and laugh. This is a huge loss for his family and friends. I'm so happy the God was able to share Vincent with us. We are all better because it.*

May God Bless Vincent's family and friends. May God Bless Vincent's soul as he is now freed from pain. May Vincent live in the house of our Lord forever - Amen

I'm so very sorry that I will not be able to make the service to show my respect. I live in Florida, and it's difficult for me to travel. I will be attending church on Thursday locally and praying for Vincent's soul and for the family.

“ *My condolences and prayers to the DeLaura family. I met Vinnie at Luigi's over 20 years ago. He was a fantastic guy with great stories and fascinating interests. A true neighbor to his friends and acquaintances. We loved talking about music, food, family, growing up in Jersey and all the rest. Vinnie was a good man, and I'm proud to have known him. The guys in the band will forever remember him for his musical requests many of which remain on our set list to this day. Love you Vin...Ride Captain Ride!*
