

Vincent A. Donato

August 25, 2002 - November 13, 2024

It is with heavy hearts that we announce the passing of Vincent Albert Donato, who left us unexpectedly on November 13, 2024, at the age of 22. Vincent was born on August 25, 2002, and in his short time with us, he touched the lives of many with his massive heart, unconditional love, and infectious spirit.

Vincent was a loving son, brother, and friend. He is survived by his mother Jennifer, father Anthony, two brothers Anthony and AJ, and sister Adrianna, who will forever cherish the memories of his boundless energy, his smile, and deep love for his family. Family was everything to Vincent and he always put family before himself.

Vincent was an avid lover of basketball, and his role model was Kobe Bryant. He also had a special place in his heart for WWE and followed it throughout his life. Vincent's love for animals and music were also integral parts of his life. He found comfort in the company of animals such as his two cats. Music was another outlet for Vincent, who found solace and joy while listening to and creating music.

Though his time with us was far too short, Vincent's legacy and spirit will live on in the love he shared with his family and friends, and in the memories created by his infectious presence. His presence will be profoundly missed, but he will never be forgotten. Vincent struggled with a very painful and

daunting disease called Crohn's from when he was a child. We would appreciate if anyone would be able to donate to Crohn's & Colitis Foundation to help support people that fight Crohn's disease (<https://www.crohnscolitisfoundation.org/get-involved/camp-oasis>).

Visitation will be from 5pm to 8pm Tuesday November 19th, at Bongarzone Funeral Home, located at 2400 Shafto Road, Tinton Falls.

May Vincent rest in peace, forever remembered and forever loved.
