“ Good-Bye to a great pizza man, I can still see us standing in the back of his pizza place and me helping him roll the doughs for the pies, if I stopped by and he happened to be making his dough. I did it so often in my pizza place, I missed doing it. Vinnie said, Linda, you have flour in your veins. He had a sense of humor about everything, you always enjoyed his company. We use to have a pool table and after work he would come over the house, he was a good pool player, and he taught my son Joey, how to bowl. He was part of our lives for many years, it will never be forgotten by our family. Linda Fazio

“ *My deepest sympathy for Eileen, Megan & the rest of the family. Vinnie showed great love to his daughter and was a dad to be admired. We spent many days eating pizza at his shop and I will be forever grateful for the footprints he left on my heart from childhood. Rest in eternal peace. Love always,
