“ *Carissima zia, dear cousins,  
I am deeply saddened by the news I received yesterday by my son François, contacted by Jennifer. I want to assure you all that we are with you in this most difficult moment you are going through. The years we shared with you in the US are among the most precious times of our lives for me and my family. I had lost my father when I was 19 and meeting Uncle Vinnie ten years later was an experience I cannot describe with words. He took a very special place, along with Aunt Josephine, in my heart for me and my family. Carissimo Zio, forse non te l'ho detto, ma ti voglio tanto bene, ieri, oggi e per sempre. Carissima zia, dear cousins, please receive our deepest condolences. from Anne, Marie, François and Pierre.##imported-begin##Piero Vaiana##imported-end##*

*Rest in Peace, Vincent. I am Anthony Augello, your 2nd cousin. I live in Ohio. I remember you well, when you, Josephine, Paul and Nina moved to New York from Brazil. You and my mother, Josephine Augello (nee Tortorice) were cousins. I have very fond memories of Paul and Nina. It is sad that time and distance separates families, but memories linger on. I hope Paul or Nina can contact me, my brother Joseph, or my sister Ann.  
Rest in Peace Vincent!*
