“ Several words come to mind immediately whenever Warren's name was mentioned, “Gentleman, Trustworthy, Respectful, Caring, Kindhearted,” this list goes on.

Warren had a unique and humorous view of the world around him. He stood out among his fellow peers. He always took the time to tell a joke or funny tale. His easy going character was always pleasant and drew you to him. He had the ability to see the humor in almost any situation. In retrospect, I found many of his jokes actually humorous and most of the tales (Even the Fish Tales), I am sure, were true.

It was a honor to have known him over the decades. Warren will remain in my memories as “One of the ‘Greats’” and will be sorely missed.

“ Warren's jokes always made me blush, but he was bigger than me so I always chuckled. His wife Audrey and family are wonderful people and our hearts go out to them at this sad occasion. Funny thing is...I would love to hear one of Warren's jokes now...God comfort and bless you all! -Frank Januszewski

“ Warren and I go way back .. I met Warren thru Audrey his wife, We hit if off right away.

I never knew a person that knew so many jokes. He always kept me laughing.

The 4

of us had very close relationship. They were there for us during the good times and

the not so good times. We kept in touch when we moved from Eatontown to Florida.

They came down to visit us. I will miss him.. He was a great person. My heart goes out

to the Zeltman Family. I know he is looking down at us with that great smile he always

had.

“ *"My wife and I, and my son Ken, all recently attended a luncheon together following Bobby Jrs. Confirmation at Church. We had the pleasure of sitting with Warren and Audrey during lunch. Warren and I were across from one another and I enjoyed talking with him about his work in Engineering and Design and also about how so much has changed over the years. I felt a wonderful friendship about to blossom...getting together, going to dinner, getting to know one another better...I liked this man so much. We talked about a lot of things...and I enjoyed hearing him speak about it all. I wish there could have been more time for us. He was a wonderful man, smart, witty, funny...everything I like so much. This entire family...if you know them, you'll love them."*

“ *We remember visiting with Audrey and Warren, and following them to Jason's restaurant for dinner that evening. Warren drove like Mario Andretti - We could hardly keep up! To top things off, we drove across the grass median to turn into the restaurant. Warren sure had that zest for living. What fun we had that evening. Arnie and Susan*

Warren was a teammate on our bowling team at Monmouth Lanes, Long Branch. I was a very mediocre bowler but Warren never said a bad word about my lack of skill. Of course, he was an outstanding bowler who bowled a 300 game in the league we were in. He was always a true gentleman, very witty and had some funny jokes and stories to tell. Kindness was his middle name. May he rest in peace. He was a guy who I will never forget...god bless!!!! John Merris, Shrewsbury
