“ Just now learning about Will’s passing. He was a good friend all the way back to Our Lady of Good Counsel grade school. Fond memories of “Willie” and Arthur from the Forest Hills section of Newark. Condolences to Art and the family.

“ I had only known Will for the past few years as we worked together in an effort to transition him to retirement. I learned from him but more importantly I laughed with him. A LOT!! Will, my friend, you will be greatly missed by many.

“ I was so upset and sorry to hear of Will's passing. He was my CPA from the start of my business to the year I sold it and we had many a laugh telling stories while doing my taxes. He was always there for my questions and we've lost a wonderful gentleman. My prayers and condolences to all of the family.

“ To the San Filippo family,
We were terribly saddened to learn that Will had passed away. We grew up with Will at the Jersey shore, (Normandy Beach, Mantoloking Dunes, and Ocean Heights). We have countless wonderful memories of our summers there with the San Filippo family! We will always remember Will's smile, his sense of humor, his beautiful voice in the band, and so much more... Although we are not able to attend the services, please accept our deepest sympathy, love, and prayers. We will never forget you, Will.

God bless you all.

“ Very sad to hear about the passing of Will. We were both accounting majors at Monmouth College. It was Will that convinced me to join Delta Sigma Pi Fraternity, something that I will be forever grateful for. I always admired the way Will was able to juggle both his life as a husband and father, along with being a conscientious student. But, one thing for sure, Will's family was his first priority.

My sincere condolences to the entire San Filipina's Family. My heart breaks for the loss of such a wonderful husband, father and friend. He will be missed by all who had the pleasure of knowing him.

May you Rest In Peace,
Brother Pete LaPlaca, Epsilon Pi 137

“ *Memories of Will started approx 35 years ago when he and my brother John Vitt shook hands and their adventures as partners of Vitt and San Filippo began. As a loving sister is known to do, during tax season, I would sometimes visit them during lunchtime to just get my eyes on them; make sure they weren't wasting away as was known to happen from lack of food and rest. Tax season is always a hard grind for CPA's. We would talk about everything and nothing sometimes, but they always me feel special and loved. There were times that I would cook dinner and pack up a meal and bring it to John, with always enough to share with Will should he be hungry too. Will would smell the food, poke his head in John's office door and smile and say "what's for dinner tonight?" His smile and sparkle in his eyes were of appreciation and acknowledging of the love between John and I. Sometimes he ate some food, and other times said he was heading home for dinner.*

Dean and I will miss his humor, sparkle in his eyes, and quiet presence. I can't even imagine how my brother John is missing his partner at this time. Our condolences to the entire San Filippo family. May God Bless Will and May he Rest In Peace!

“ Will was my friend and accountant for 35 years. Every year I would sign my check to him for the accounting bill with the word "Thief" in the memo. He would laugh and call me up and we would catch up on our family and lives. He rarely used email so it was always a pleasure to talk with him on the phone. I will miss those conversations...and my friend. RIP Will.

“ Please accept my most sincerest condolences over the loss of our dear friend. Among the many things Will was to me he was not just my "beloved" accountant for close to 40 years, but he was my golfing buddy and also my "civilized" dining partner at Deal CC. Of all of the fond memories that I have of all the years together there is one that always comes to mind. Now we all should know that as much as Will loved golf he was certainly lacking the necessary talents one must possess in order to become proficient at the game. In other words Will was a member of the PGA team. "Pretty God Awful".

But there were moments when the light would shine down upon him & he'd get lucky & make one of his very rare par scores. He would then go into his PAR dance on the green....where he would sing..."par..par...PAR" and he do a little dance for his playing partners. It was as if he had just won a major victory which in consideration of the rarity of such a personal achievement it was exactly that. May Will rest in peace and may the Good Lord get him some golf lessons up in the great golf course in the sky.....it would only be fitting that the Angels get a chance to see his PAR dance one more time.

“ Life can be viewed as being a bunch of stories. After 45 years of knowing Will, countless stories of mine include Will. Some stories changed my life, like the time our hand shake launched our 35 year CPA partnership. Some were anecdotal, like the time our usual waitress brought our order without us saying anything to her, eliciting comments from patrons seated before us who expected to be served first. She said, "They come here often." We overheard the exchange and grinned over our special treatment.

Yes, life is a bunch of stories, some big and some small. I give thanks for my good fortune to have so many stories that include Will.

“ Art, please accept my condolences to you and the entire San Filippo family. I had the good fortune to know Will for the past 27 years as a client and friend. I always found him to be gregarious, honest, sincere and straight forward. We shall all miss him dearly. May the Lord bless him and know that St. Peter's books will be in order.
