“ Dear Mrs. Farrell, Bill and Tim,

Vicki, the boys, my father and I have you and the extended Farrell family in our thoughts. I have fond memories of Mr. Farrell from all those wonderful years in New Jersey. From meeting him just up the street from our new home when we moved to the United States to all the sports events at Dwight, Mr. Farrell always had a smile on his face and interesting/insightful conversations with all he met. He was a caring and loving man! He will be missed and has left a wonderful legacy for those he touched. We are saying a prayer for his peaceful rest and wish you serenity during this time. With love.
